The structures you provided track like a dream on the skis behind my tractor. Production is way up compared to what I am used to and what I was expecting. I love the buildings and the chickens seem to enjoy it as well"
Kurt of Woolly Mountain Farm in Nova Scotia

"Absolutely the best folks to buy your structure from!! Knowledgeable, Innovative, great customer service, not to mention very reasonably priced. We will be purchasing from them again!"
Cara Greenlaw

"The combination of the pdfs, videos and instructions that came with the product are great. I'm very impressed with the products and support offered by Multi Shelter Solutions."
